REVENUE DEPARTMENT

G.O.Ms.No.2041 Dated 24th July, 1950

Read the following:

From the Board of Revenue, Ref.W.4985/49-7 dated 2.12.1949.

ORDER:

The Board of Revenue has recommended the employment of a peon in the offices of all Collectors for work in the fair copying section including local delivery of tappals, as this would result in a considerable saving to the Government by way of reduced postal charges. The Government accept the recommendation of the Board and sanction the employment of a peon, on Rs.18-25 per mensem, with usual allowances, in the offices of all Collectors, for this item of work, for a period of six months in the first instance from the date of appointment. The position will be reviewed at the end of that period with reference to the actual amount saved in postal charges in each Collector's office. In order to arrive at a decision in time for the continuance of the sanction or otherwise, necessary particulars in this regard should be submitted after four months from the date of appointment of these peons. The Board is requested to inform all Collectors accordingly.

2. The Board of Revenue has recommended the employment of an additional peon in the offices of all Collectors for carrying of tappals to Collectors' camp and back. In G.O. No.326, Finance, dated 5.4.1948, the Government ordered that only 3 peons (1 peon for office and 2 peons for residence) should be allowed to each Collector. In addition to this, the Collectors were sanctioned two more peons in G.O.Ms.No.689 Finance, dated 15.7.1949, thus bringing the total number of peons admissible to 5. It is observed from the letter of the Collector of Tanjore, No.18768/119/48 G, dated 21.8.1948 submitted with the Board's Reference.W.8508/48-1 dated 23.9.48 that one of the five peons is allotted for attending on the Collector in office, while the others are allotted to the Collectors' residence. Presumably this practice obtains in all the districts. If so, it should not be difficult to send tappals to the Collectors' camp and back through one of the 4 peons attached to their residences. Further, when the Collector goes on tour, the peon attending on him in office will be free. In the circumstances the need for the second peon in the offices of Collectors has not been established, and it requires further justification. The Government are, therefore, unable to agree to this part of the Board's proposal. The Board may reiterate its recommendation if the practice obtaining in other districts is not as reported by the Collector of Tanjore.
